Reasons for Allowance

The following is an examiner's statement of reasons for allowance: No reference was found anticipating or a combination of references found making obvious a probe station with a probe holding assembly and an electrically conductive outer enclosure wherein the probe station includes a chuck assembly having an upper assembly element with an upper surface and a lower surface with a peripheral surface extending between the upper and lower surfaces and a lower chuck assembly element with lower and skirting components of conductive material spaced from the upper assembly element wherein the lower chuck assembly element includes an upper surface portion opposite the lower surface of the upper chuck assembly element and the skirting component includes an inner surface portion extending opposite and substantially surrounding the peripheral surface of the upper chuck assembly element.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In the Amendment to the Specification, filed October 2, 2003, line 7, after "2002,"
"now U.S. Patent No. 6,740,036," has been inserted.

Examiner's Comment

Claims 1-15 are allowed.

The terminal disclaimer filed on 13 October 2004 disclaiming the terminal portion
of any patent granted on this application which would extend beyond the expiration date
of U.S. Patent No. 5,345,170 has been reviewed and is accepted. The terminal
disclaimer has been recorded.

Any inquiry concerning this communication should be directed to Ernest F.
Karlsen at telephone number 571-272-1961.
